Agree. I feel like this is going to overwhelm her a bit.

Yep these are comments from Rick but my assumption is that he probably has discussed this with Ed at least a few weeks ago. I would have hoped ed would have given us this direction prior to developing the slides

Hi all,

We've received some feedback from Rick and Ed for the slide deck. Would BEAD be able to respond to the questions in yellow below?

Anna, Monique – would you be able to address the SAP question in green?

I will be away from noon to about one to run an errand but will be back this afternoon.

Thank you,  
Trish

Hi Ed,

Please find attached the chlorpyrifos slide deck for Monday's AA briefing at 3 pm. We are following up with BEAD regarding one of the slides in the appendix, so we may have an update next week. If you would like to use the chlorpyrifos standing meeting at 1 on Monday to briefly run through the presentation, just let us know.

Thank you,  
Trish
